

Time "Wasted" Through the years

2012 - 2013 - average 40 hrs/week empty
7 hrs wasted
x 100 weeks

2011 - 2012 - traveling, all "waste"
200 days x 10 hrs/day
(or maybe, no waste)

So just, This year:

average sleep: 8 hrs
some are getting with 7

- what if I spent 4% of time w/ kidney disease
0.5% w/ whatever
etc.

- phone app that pays me each time

or, a life in the bag

- wake up, small child

- at 10 AM, go to school
